

LINCOLN MEMORY CAFÉ

CONVERSATION / SNACKS / CREATIVE ARTS

Thursday, September 26, 2019

GUEST ARTIST: Pianist, Jerry Hurley

A Memory Café is a welcoming and safe place for people with forgetfulness or other changes in their thinking and for family and friends to come together. Each Memory Café is unique. Some cafés invite guest artists and some are for just relaxing and chatting. All cafés share these goals: to help guests feel comfortable and know they are not alone. Cafés are a place to talk with others who understand what you are going through, to leave behind limitations and instead focus on strengths. In addition, cafés are a place to enjoy each other's company, and to explore something new.

Please note, we do ask attendees to bring their care partners, and you are welcome to attend as many cafés as you wish!
